**Attention: Mrs Jennifer Renner Thomas, Programme Director**

Dear Jennifer,

This is to inform you that I will be coming to Freetown on Thursday, 21 June 2012 and, on behalf of the The Sierra Leone Association in Switzerland and Neighbouring France, will be making a donation of US\$ 1000 to The Well Woman Clinic.

It would be most useful if you could kindly identify a project that this donation will be directed. Please e-mail me your telephone number and I will get in touch with you, so that we will arrange to meet.

I look forward to seeing you.

With warm regards,

Janet

Dear Janet,

Thank you so much for the donation from your association. Unfortunately I will not be in Freetown for a little while yet as I am attending to some health issues and other personal matters. I hope to return at the end of July. However, there will be members of staff of the Clinic and also the management committee members who you could contact. One such person is Dr. Lynette Palmer who would be delighted to meet you and answer any queries you might have. The donation will go towards our prenatal equipment project (PREP), giving under-privileged pregnant women the opportunity to have 2 free ultrasound examinations during their pregnancy and ensure that complications detected will be managed throughout the pregnancy.

I hope you will still be in Freetown when I get back.

Once again, on behalf of all attached to the MEPS Trust Well Woman Clinic and on my behalf, we thank you for such a laudable gesture.

Best Regards

Jennifer
